Thanks to Jr. Warden Douglas Mark Saunders for trimming the trees in the front parking yard. After almost 30 years of being the grounds keeper at St. Mark's Parish, Matushka Deborah is happy to pass the baton to someone who is more fit!

Thanks to Guy Huft and Ron Lickteig for making repairs to the windows that face the alley.

Thanks to Reader Michael Huseby for taking one of our valuable Latin Altar Missals to a local bindery for much needed repairs. Fr. John now has two 1908 Latin Missals printed in Paris as blessed by the Holy See. There is a huge difference just after Whitsunday (Pentecost) where one Missal follows the usual Italian system of Sundays after Pentecost and the other the North European and, as we read it the Dominican (Order of Preachers) system of Sundays after Trinity Sunday, today. Both Missals are adorned with beautiful graphics appropriate to the art of printing in the best examples of 100 years ago.

Bishop Basil has announced his request to the Holy Synod to be retired from his position as head of the Diocese of Wichita. In many ways the definition of his job has cycled from the appointment of Bishops to a certain Diocese which replaced the “Region” idea. Then there was the famous “Installation” of local Bishops as genuine Diocesan Bishops with authority over Ordinations and matters proper to an enthroned Diocesan Bishop. That got revoked a few years into it, and so every Bishop again became an axillary and much of their local authority returned to the Metropolitan. The situation remains there to the present. Our Bishop Basil has served while cutting back on a stressful program of trying to visit every Parish or group of Parishes each Year. Now he generally does Ordinations at the Cathedral Parish of St. George in Wichita. We know that his health issues suggest a less stressful life. So, given he does not actually own a house he is looking at ideas, even as far away as Colorado. He is very touched and even surprised at the affection of the Faithful in offering him a residence for retirement. Of course, being retired means he can travel and have more than one residence as he so chooses.

His Grace Bishop Basil has announced his petition to retire as Diocesan Bishop of the Diocese of Wichita before the end of this Year 2021. The Virtual Parish Life Conference has gone forward. This is not such good news as the presence of Bp. Basil has been a constant blessing to this Parish and the good estate of the churches of God in this large Diocese. So, by your prayers we trust in what will follow as an announcement from the Patriarchate in this matter. Thanks to those St. Mark's Churchwomen who attended the Antiochian Virtual Parish Life Conference on Zoom last Saturday. Metropolitan Joseph and Bishop Basil were the Guest Speakers.

Save the Dates on June 15th-18, 2022 to join them in person at the Antiochian Parish Life Conference in Wichita, KS. with St. George Cathedral hosting the event.
