

We are asked to contribute to the “Sister Diocese of Bosra-Hauren” in Syria by Bishop Basil. Any checks with this designation in the memo will join others to help the cause. Our Diocese of 50+ Parishes has moved over one million dollars USD to our oppressed brothers & sisters in the Orthodox faith since Bp. Basil started the program.

As you may recall, we reported the last couple of Sundays that we have been consuming a large volume of water here at St. Mark’s. No water reaches the flower beds that are next to the building. (Maybe we need to expand the irrigation system or change the sprinkler heads?) Yes, it would be nice if the sprinkler heads would focus on areas needing water as some have gotten *wonky* (technical language). What about Daniel’s solution of red bark and big rocks across Arkansas Ave? These fixes require someone who has patience and fortitude!

Our Bishop John has directed Father John with St. Mark’s to host a Western Rite Conference planned for August 2024. However, given the high lodging costs in Colorado, may be this be practical? Thoughts? We hosted such Conferences on a large scale in the 1990s and grew the Church across the USA. Then, we could rent St. Thomas’ Seminary for 70 registered visitors, many of whom became Orthodox afterward.
